Journal Fort George

March the 10th Strong Gale from the S.W. with
Violent Squalls and hail Showers. Early in the
forenoon Schooner Caithness arrived from Dun-
cansmouth having on board Cargo for Fort Victoria
Putting ashore Goods sent to Peace River

March the 9th Mr Colvin and Lucy went to carry indian
[illegible] a violent breeze. Pilot Jacko arrived from
Baker's Bay having finished harvesting his Grain and
from Mr Smith 33 Bundles Oakum now in all
from him 39.3 Little Port strong breeze from East

the 10th Mr Mrs Colvin and Lucy Duty [illegible]
[illegible] as usual At 10 oc
the Officers Company Schooner Caithness
Capt Scarbro left Fort George for Baker's
Bay. Bound when weather permitted to
Fort Victoria R.M.S. Person named Skrim
an American come here from Baker's
Bay in Johnstone's Canoe. Johnstone himself
had been over in the Bay surveying his
Claim. Skrim had with him a quantity
of Spirits Country made intending if
he could trade some Skins from the
Indians but he luckily to prevent further
Speculations of the kind did not succeed
his only trade was a pup after he traded
from Mr Art the Party remained at Fort
George one night and proceeded up
Stream in the morning

After Part Passed this from the
Earth with clear fine weather

Journal Fort George

W. March the 19th Mr Breeze Variable from S to S.E. and then to S.E. Duty as usual Variable Read som more Carts from Mr Smith — Mr Frost in endeavouring to proceed with the Plowing of the Ground as we had engage for unluckily broke his Plow which was by the by rather a weak one being country made Latter part weather much the Same

T March the 20th Breez from the East with fine clear Wr. duty of the department variable as usual Plow again repaired and going but doing very little Journal of more reports respecting Duncan Ross having been found on his Shirt Latter Part Wr

F March the 21st Breez from the East in the morning, and the S.E. in the afternoon but came in too late for the Cadboro to get out as Mr Pinnies Liberty I went over to Watsis on a visit enjoying the visit very much found the Country very pleasant, and the residents all very aggreable and obliging Latter Part Do Wr

S March the 22 Mr Pinnie and Harry Cowey sailing in accordance with the Day. ale records Middle and Latter Parts Do Wr

M March the 23d Light Breez steering from the East with clear weather. At noon the Breez came from the S.E. when at 4 the Cadboro went over the Bar. She very continued fine for important News except one of the residents mooning about doing there business

Journal for George

27 Wind the 25th Moderate Breze from the East with fine clear weather at the usual time proceeded on Little duty. Sowing, harrowing Plowing, and various other necessary duty's at home. Pilot arrived from the Cape for some Seed potatoes. which were of his own raising returning again about Noon. Middle and Latter Part Do Do

Saturday Continued from this Middle book

[illegible] Journey now [illegible]
[illegible] to the [illegible] Journey Sailing, [illegible]
[illegible] second time of his arrest. Some of the
Friends before this [illegible] charged [illegible] Journey
Sailing should [illegible] from time [illegible] charged with
what D.T. in case I [illegible] require [illegible]
I shall not [illegible] for [illegible] Journey Sailing
would not when Wilson was now [illegible]
[illegible] running down [illegible] second charge in
this middle [illegible] said to him [illegible], now
[illegible] some [illegible], and then again [illegible]
but in the name of God [illegible] the Prisoner
with you. Continuing the Journey with
[illegible] you [illegible] a very pretty target
[illegible] my breast at the same time [illegible]
very coolly, gave this middle stock deliberate
[illegible] and fired, neither [illegible] of us. One
[illegible] my arm Brisk- and went through the
window, the other went through one side of
my trowsers and cut my hip and escaped
on the other, when I discovered myself
now knowing this bloody intention. Drew the
[illegible] from him. He had by this time Powder
in this middle again, the never took his eye
off the muzzle and threatened to knock my
brains out if I attempted to come within
reach of him. I made an effort to take
his middle from him broke it- and threw
it from me. By this time one of the
Islanders brought me a Dagger, I
immediately made to make his escape by
running over the hill. I followed him

Saturday, October 11th 1851

Saturday, October 11th I had now got two large stones in his head & again struck with him when another stone as I supposed the Stone was felt for his Knife but only made good hit. I was for the first time struck him with the flat side of the dagger was to the Back. I then [illegible] time himself up without my further resistance in begging and Entreating I now struck him again one in Anger

Saturday Continued. [illegible] many [illegible]
consider [illegible] self in [illegible] [illegible]
[illegible] for this cruel [illegible] separating [illegible]
he has become more [illegible] than formerly
having more neighbours about [illegible] of late
[illegible] Saturday

day the 31 May. All hands from the [illegible] with
fine weather during this day. Sick arrived on board
from the Cape shewing every symptom of the
Small Pox. Sent on shore upon the same
day. Getting [illegible] in readiness to trim up his
large cutter and Yards from Cape Disappointment.
Latter part [illegible] fine. Mr Lamar [illegible] watering

Monday June the 1st with Breezy and variable [illegible] with
